COMMUTERS: Use the following table to keep track of your commuter mileage for the week of the Summer Institute. Note that we can pay the full cost of one round trip (Boarders get this benefit, so you do as well). But for other roundtrips we can only pay up to \$46.00 (the value of the room payments the Boarding students receive). Mid-Ohio Educational Service Center reimburses mileage at \$0.36 / mile. Therefore, you can be paid for a total round trip of 127 miles per day for the rest of your commutes.
